

Rewiring the Brain via The 7 Secrets Rhythm

ACHIEVE ORGANIZATIONAL EXTRINSIC END RESULT VIA INTRINSIC TECHNIQUE APPLICATION

“The greatest impediments to changes in our traditional roles seem to lie not in the visible world of conscious intent, but in the murky realm of the unconscious mind”

~ Augustus Y. Napier

▶ OUTCOMES

PARTICIPANTS of REWIRING THE BRAIN via T7SR will be able to

1. Harvest right brain power
2. Reset mind to new and higher objective and goals
3. Creating wave of communication without verbalizing
4. Calibrating the brain
5. Sharpening your thoughts
6. Tuning Consciousness
7. Expand and extend MIND utilization

Challenge

Over training, pushing the limit of left brain capacity without balancing right brain power, it is auto piloting old pattern rather than a new process.

Too much training, you are over learning facts which are yet to be executed as intended end results. Knowledge is potential power, applying knowledge is power. How to trigger whole individual nerve system to unfold as new action for new results, activity, depth of listening process, communication sensitivity and whole other cognitive skills via 6th sense? It seem patterned habits beyond intended new steps overrule daily routine. How to rewire it?

Solution

Rewiring the Brain via The 7 Secrets Rhythm handle root cause. Formulated by the world best psychologist and ancient essence researcher. He knows precisely how the entire universe matrix operates. Expert in 3rd dimensional entire biological body system and also perfected exploration of 4th dimensional essence called mind and consciousness in the form of frequency.

Elan's intensive application-oriented learning experience that focuses on the fundamentals of great inter-relation from biological human, universe matrix, virtual frequency and the EXACT transiting and transmitting point at edge or ridge of human achievement. He is also world's top corporate leader especially in technology world, designed and invented unique projects while working with global leaders from all continents.

- Learn
- Un-learn
- Re-learn
- He is asking how far modern science is taking you...
- Let's see how he can show positive alone don't drive you far
- How to harvest advantages from negative as well?

Intrinsic is the 360 degree process as the mother of all training that you had yet you will get in future!

Rewiring the Brain via The 7 Secrets Rhythm workshop is taught within 2 days. 90 days online support.

- Without our *Rewiring the Brain via The 7 Secrets Rhythm* training it's like you having *Porsche without tyre on most modern highways*.
- Multiple industry case study flows will be included within live training sessions.
- Various work/staff/individual levels and its relation will be shared to enable you to apply effectively.
- A rich, comprehensive participant guidebook will be given to the participants.

- Mega difference of positive and intrinsic leadership or individual performance.
- You will be exposed to the maximum difference between traditional and ancient corporate training.

Just to compare preliminary points between traditional and T7SR

Traditional	Rewiring the Brain via T7SR
Teaching fact to be followed, and if repeated too many times can cause participants to be bored.	Most ancient yet advanced scientific facts kept secrets for entire corporate and academic world, now revealed!
Logically always wanted to do and its instruction of others in form of policy / KPI / ISO / training / request etc...	Intuitively allow to unfold and get drive while witnessing our new frequency.
Too long working on limited orientation of left brain abilities. It only handle effects without managing root cause.	Performance from within beyond our T7SR training.

Are you going to learn more or unfold what you know?

The 7 Secrets Rhythm teaching practically in workshop is a powerful, quickest, fastest and best cognitive skill development process ever available!

Without T7SR, It's like having **Ferrari in garage without driving it because not built sophisticated road yet**. It's very much highly possible to unfold intrinsic ability the natural cognitive skills latent in you, thus harvesting right brain power. It's practical, scientific, simple, quickest, most powerful techniques ever invented, made available for corporate and great impacts.

Our piece of advice:

- You understand T7SR then you will definitely join the workshop.
- You don't understand T7SR, best to join the workshop first!

“You can't engineer the brain you can only nurture it from within”
~ Bv Elan

Manually human do not have method yet to transform picture drawn by artist into explainable words ~ Elan
