How to sponsor VGENIUST 7R for schools

You decide you wanted become exclusive College University for your major course to be promoted nationwide or just normal sponsor.

If normal sponsor then you can select any number of district.

If exclusive promoted then have to select minimum 10 district / school / days of training per year.

Select your MAJOR course which we only act for you nationwide to promote it without acquiring similar course promotional for another Colleges/Universities.

Select your own list which form and what level of that form you would like sponsor which is matching your course going to be promoted as well. If your district selection and schools not match the form and type of form (science/arts) then have to re-select other location.
